

About Les Angles

Les Angles is a beautiful mountain village which incorporates the old town and the facilities of a modern ski destination perfectly. Relatively unknown outside of France, the resort benefits from quiet pistes outside of the French school holidays (February), which makes skiing, boarding or cross-country skiing much more of a pleasure. Forget those crowded pistes !!

As well as loads of shops, restaurants and bars, Les Angles also has a swimming pool, bowling alley, ice rink, night club, cinema and tennis courts.

Regular firework displays and torchlit descents throughout the ski season are another highlight to look forward to during your winter break.

Les Angles also has a 'Parc Animalier', which is open all year round.

Les Angles is not just a ski location, but also benefits from being positioned on the shore of Lac Matemale which is a popular sailing and wind-surfing venue in the summer time, as well as with walkers and mountain bikers. The gondola runs throughout the summer allowing hikers and bikers to benefit from the beautiful scenery at the top, without the trouble of getting there under their own steam! Tennis courts, swimming pool, cinema, ice rink etc. are all open during the summer period.

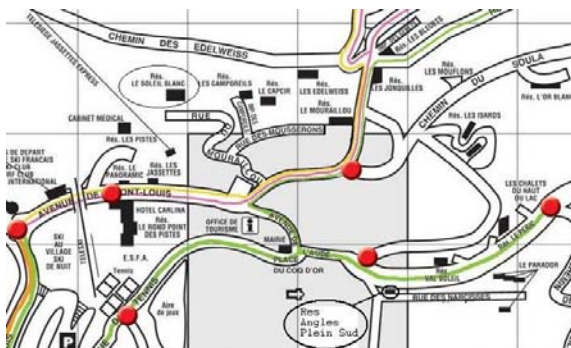

Summary

This Chalet is ideally located within the old village giving ready access to shops and restaurants. It also benefits from spectacular views over Lake Matemale from the full width balcony. The interior is spacious and is ideal for the family group having two bedrooms and a mezzanine bedroom. Unusually for a property in the resort, the kitchen is full-size which again gives weight to the suitability for a family group.
